Meeting Notes

- Start-up meeting for the final project.
- Read-through of the assignment text and the grading criteria
- Created a repository on GitHub for the project:
 - <https://github.com/andordavoti/DAFE1200-final-project>
 - All the members added it to their GitHub Desktop
- Created a shared folder on Google Drive for minutes of meetings and other future documents
- Brainstorming ideas for the project
 - We started reading through our own ideas from the Innovation-assignment
 - We decided to make a shared document for the brainstorming on Google Drive
- We decided to digest the ideas and try to think of more.

We meet up next week at 10.00 on Monday 2nd of November, for part 2 of the brainstorming
